A story of friendship and adventure
Colouring in & storytelling

**Please Mr. Dragonfly,
Stop for me here!
I really need a ride
'Cause I have all this gear.**

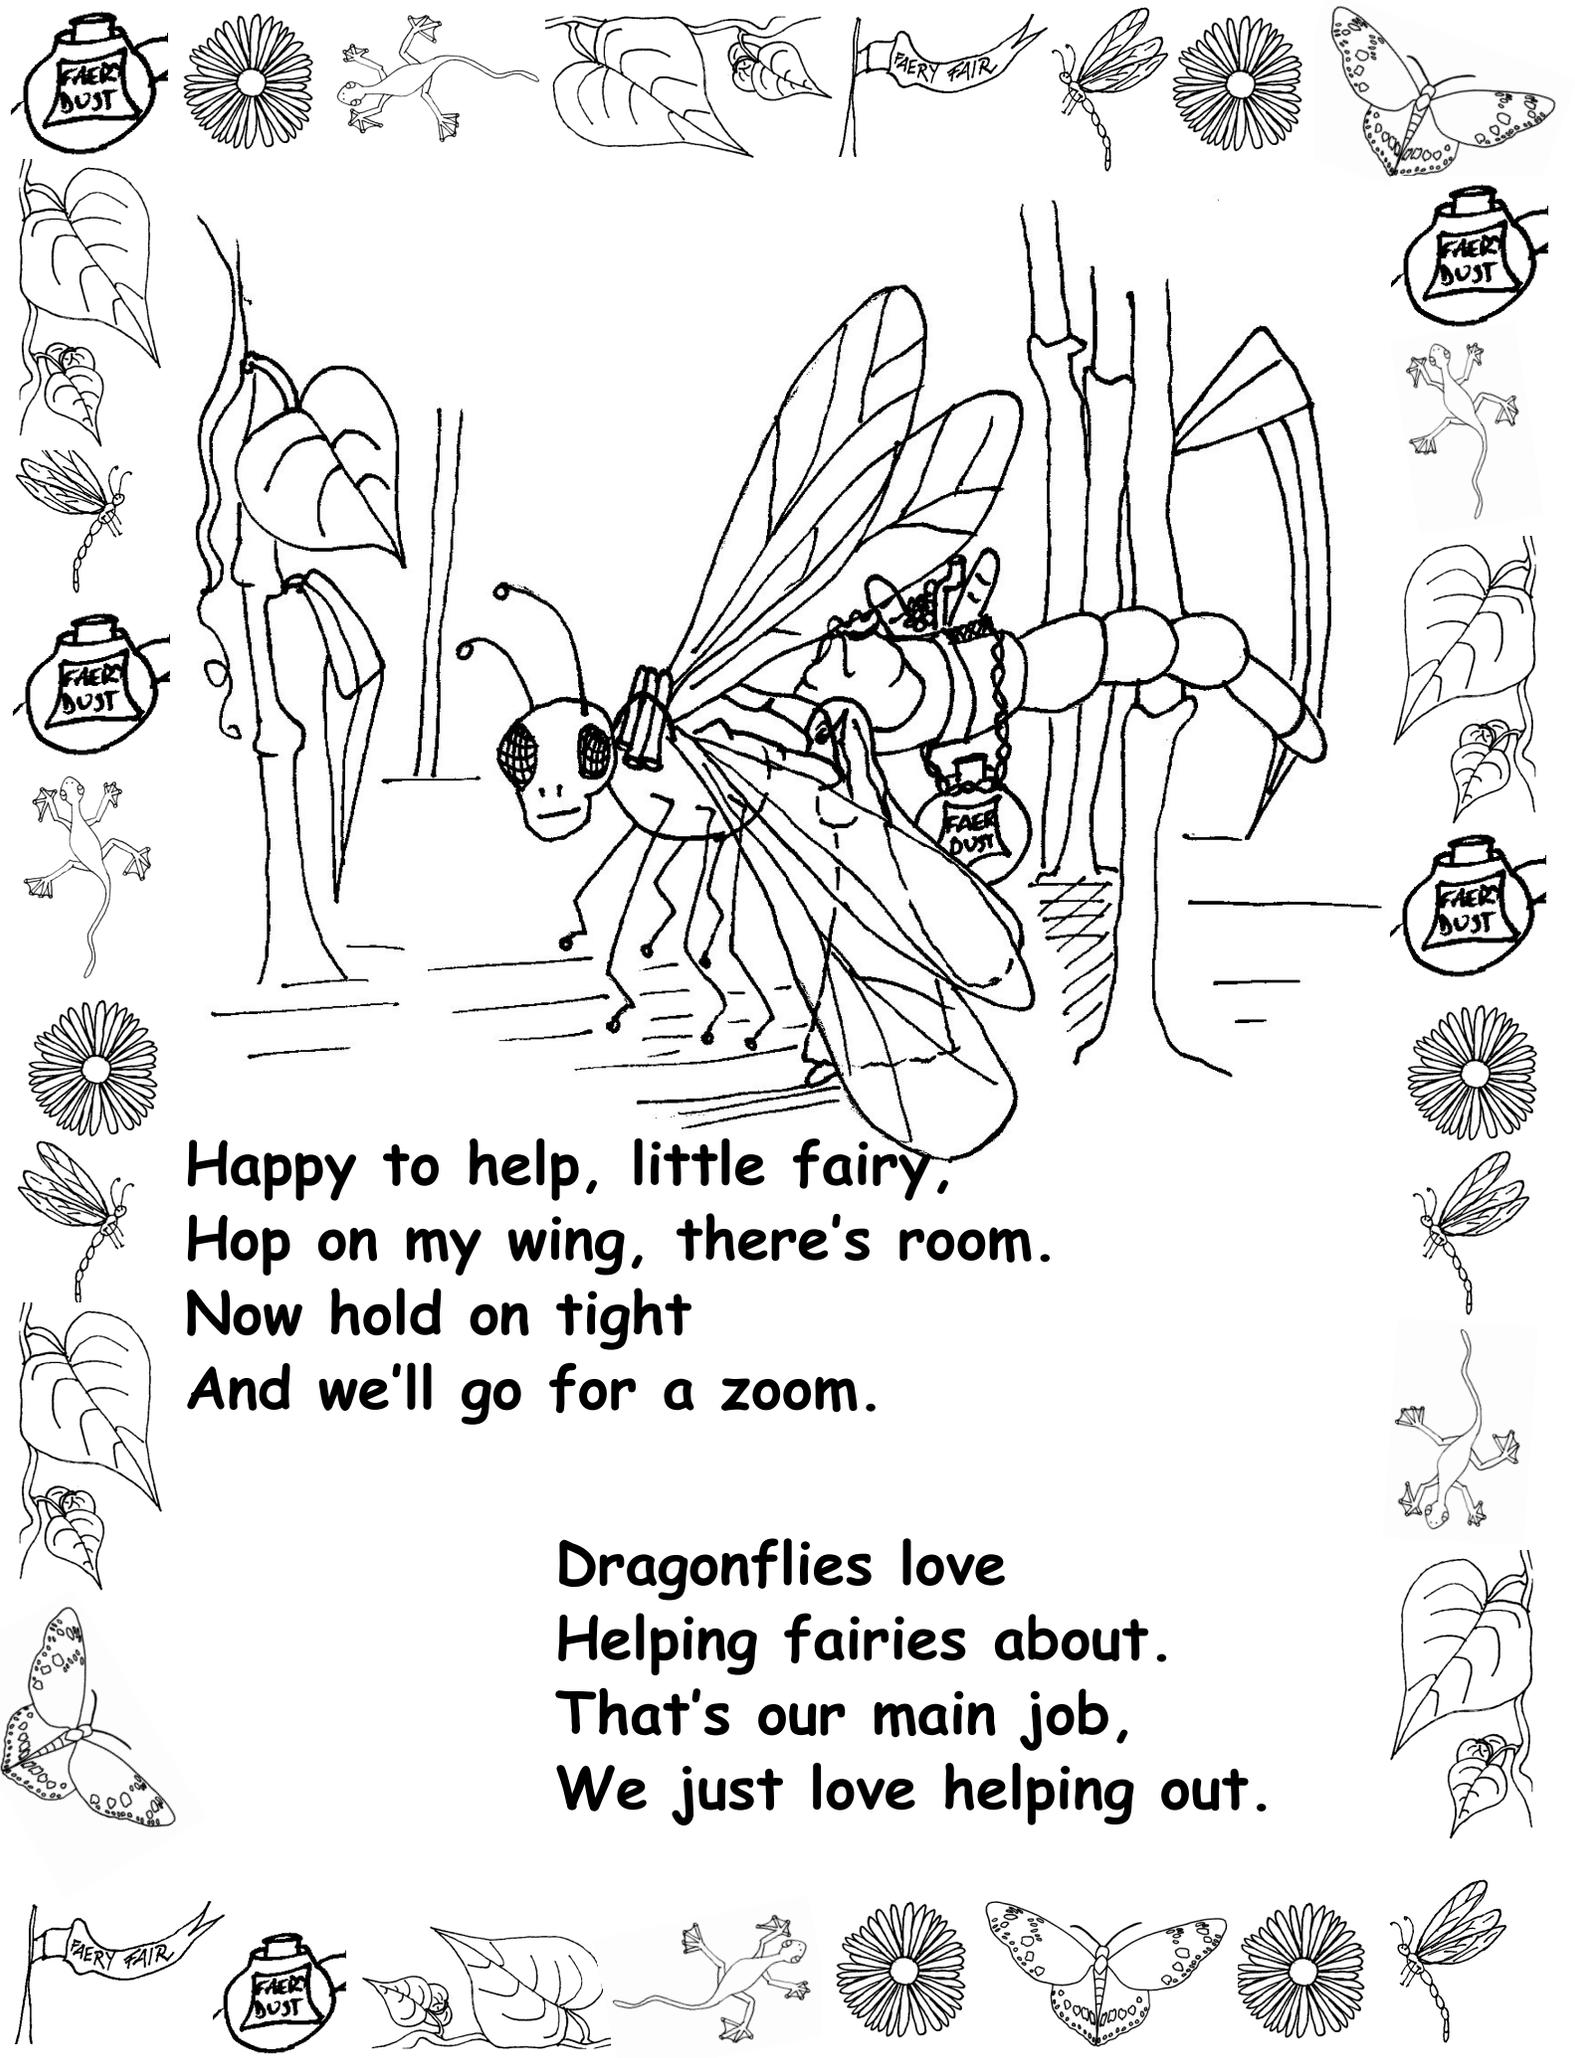

I'm just a small fairy
And I'm going to the fair,
My fairy friends are going,
They're meeting me there.

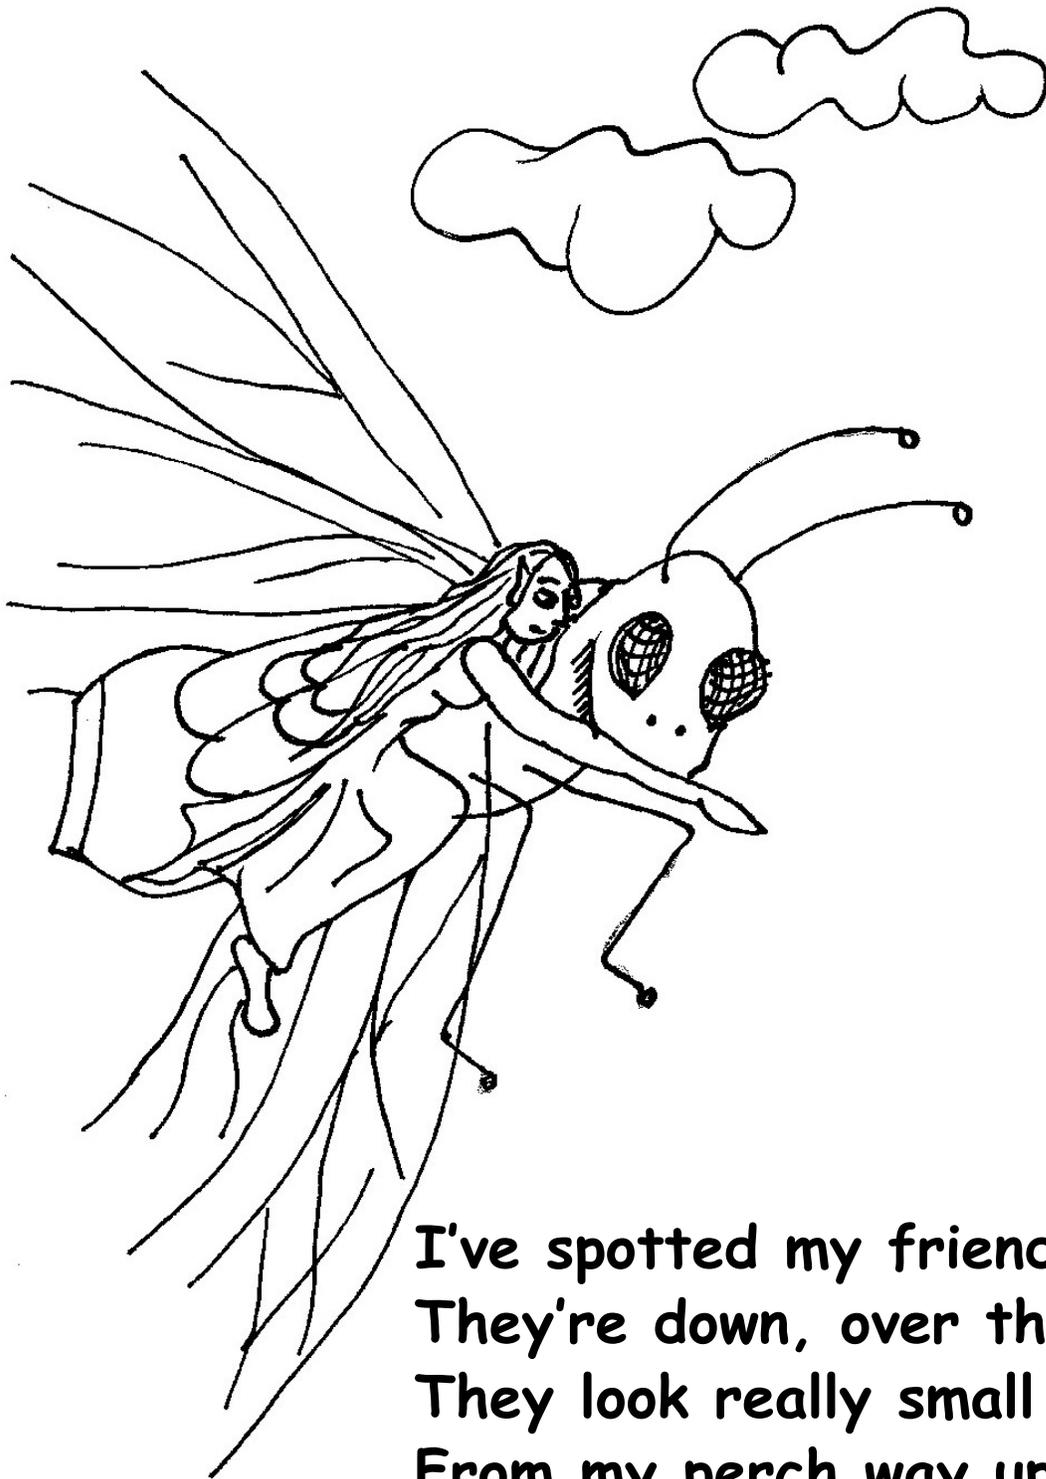

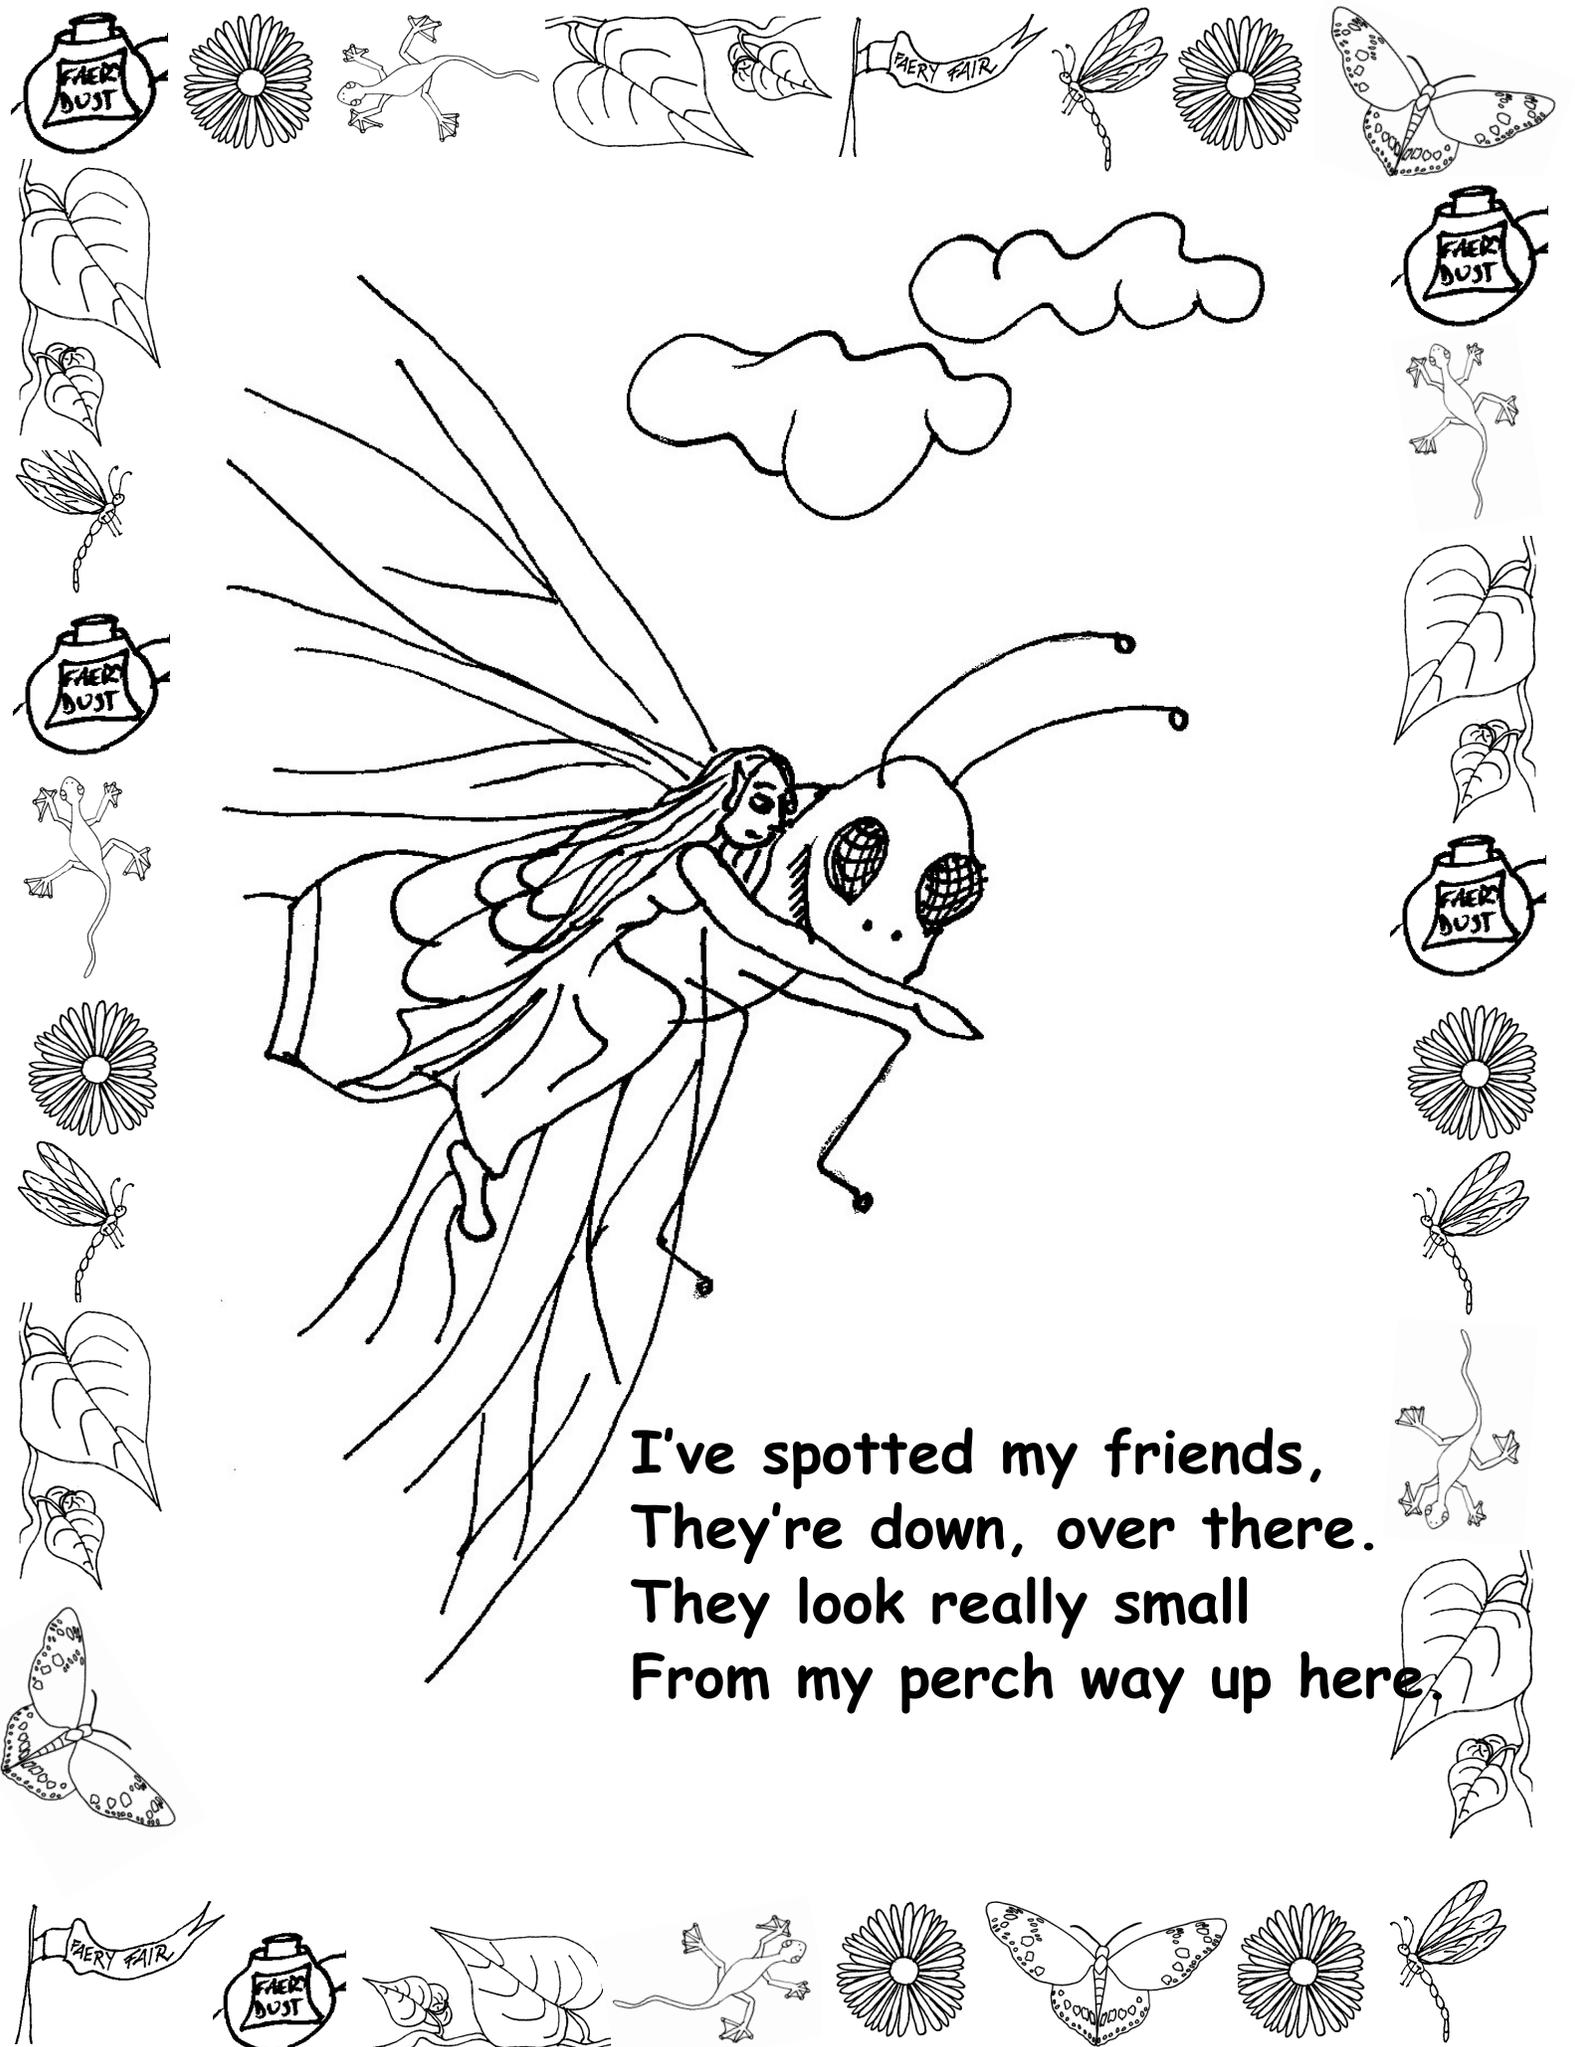

Happy to help, little fairy,
Hop on my wing, there's room.
Now hold on tight
And we'll go for a zoom.

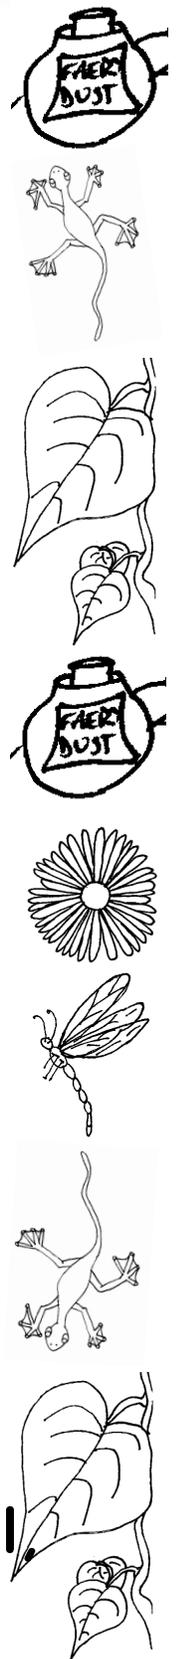

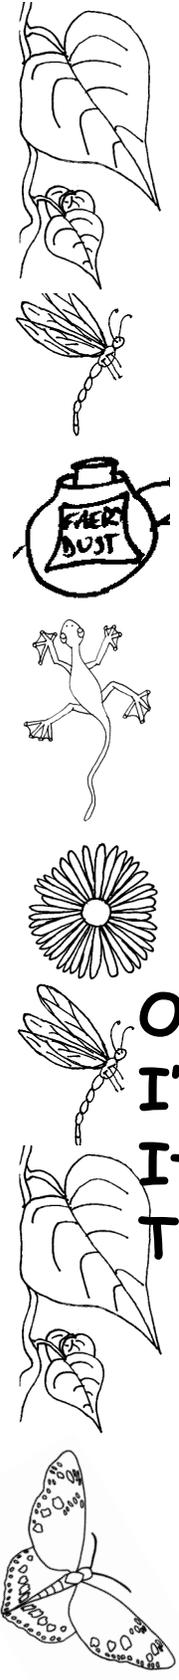

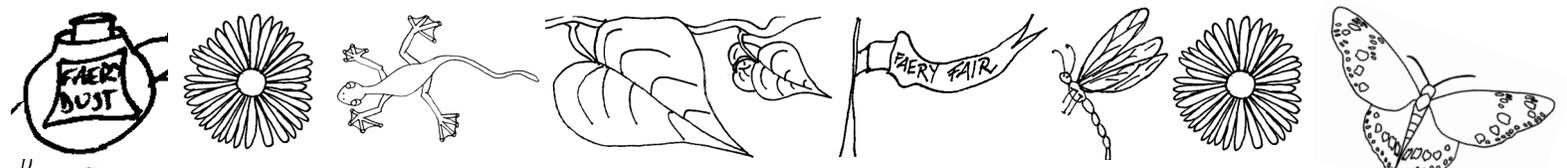

Dragonflies love
Helping fairies about.
That's our main job,
We just love helping out.

I've spotted my friends,
They're down, over there.
They look really small
From my perch way up here.

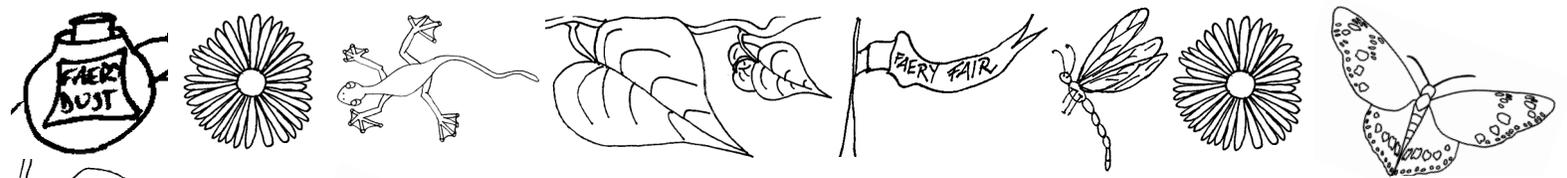

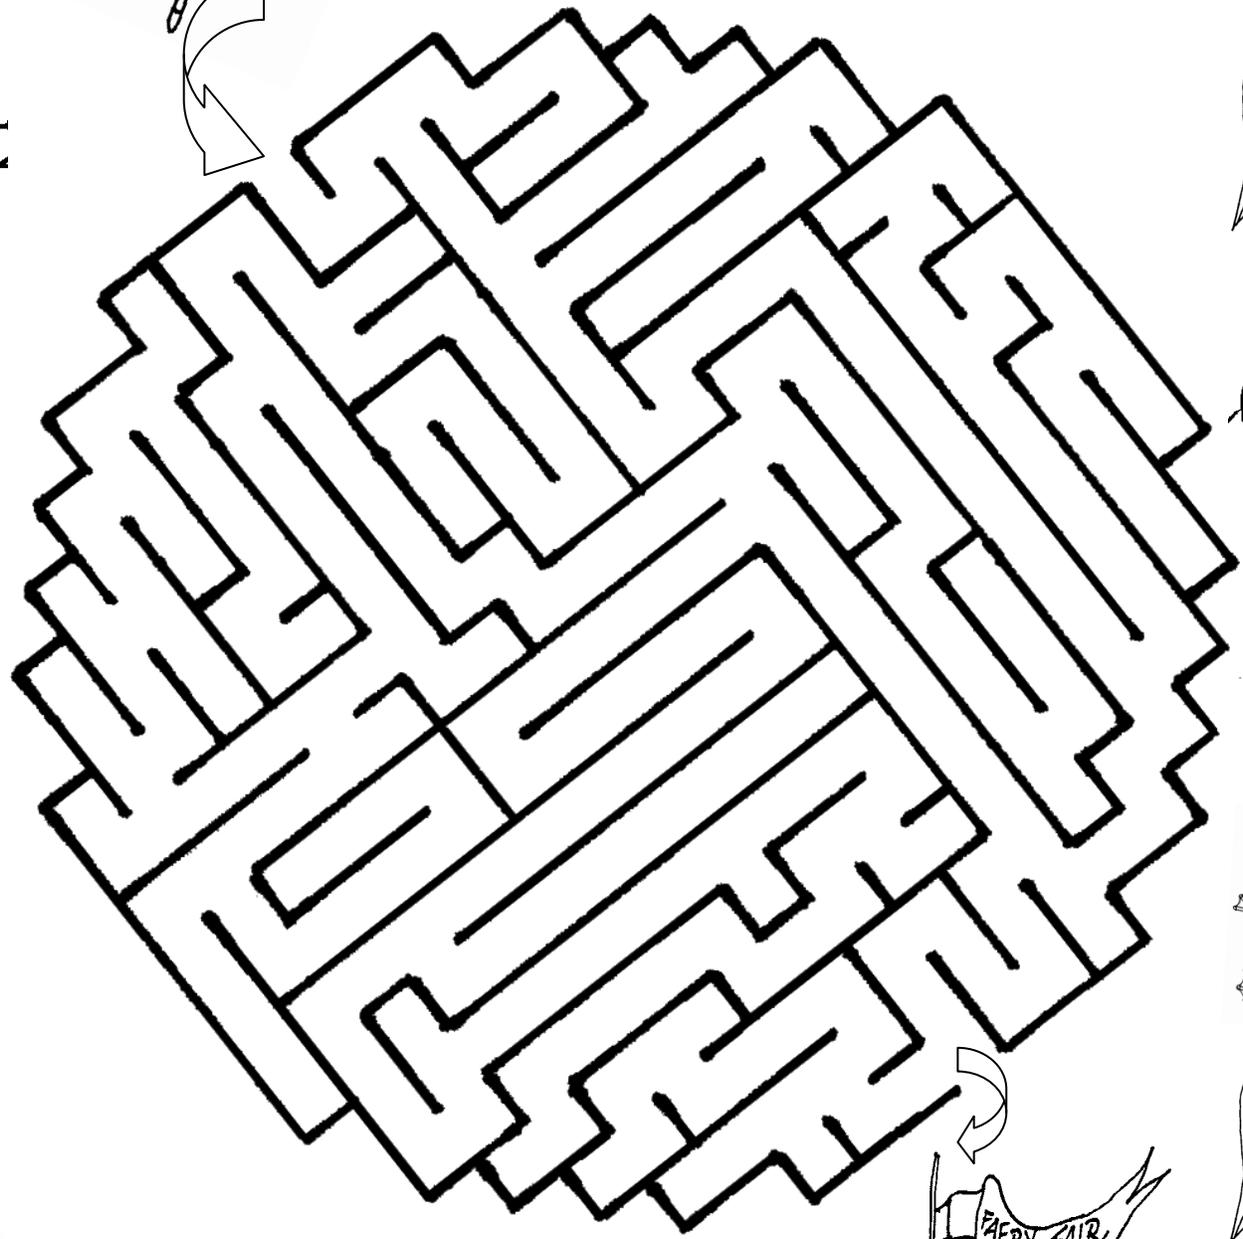

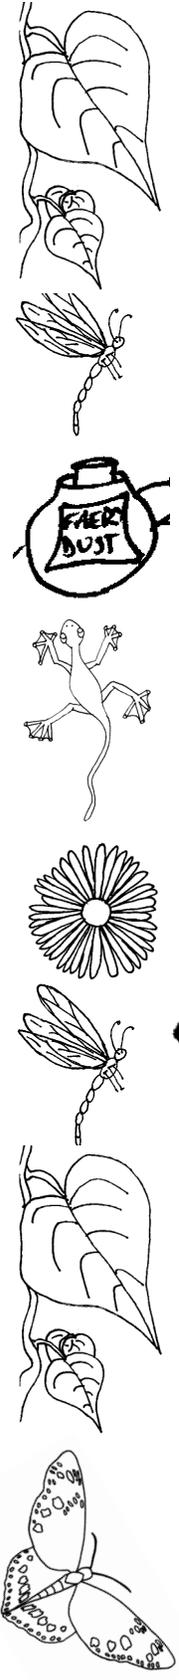

Oh thanks, Mr. Dragonfly
I've had so much fun.
It seems such a pity
That my ride's all done.

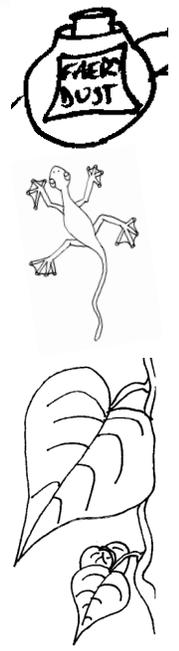

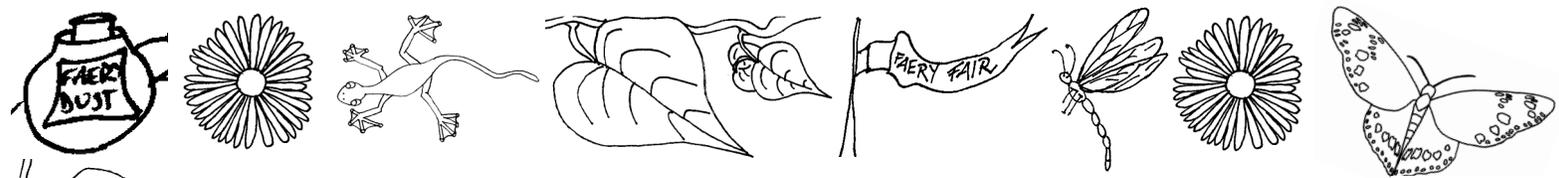

Then let's do it again,
My little fairy friend.
I'll be there when you call
On that you can depend.

Help Mr Dragonfly to find his way to the fair.
Find the path through the maze that leads Mr Dragonfly to the Fair Flag.

Please Mr. Dragonfly,
Stop for me here!
I really need a ride
'Cause I have all this gear.

I'm just a small fairy
And I'm going to the fair,
My fairy friends are going,
They're meeting me there.

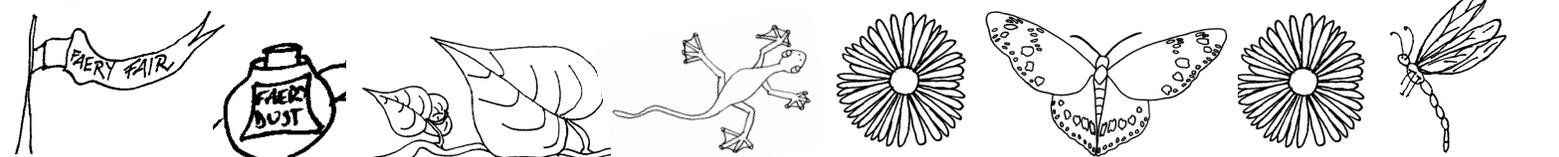

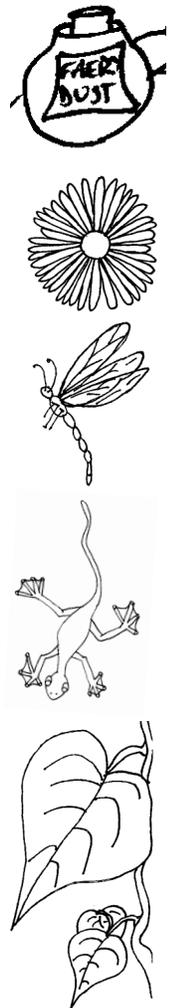

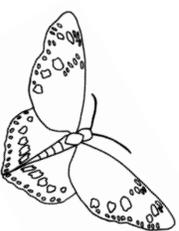

Happy to help, little fairy,
Hope on my wing, there's room.
